

Truck Check Schedule for 2012

Checks must be done weekly. Doesn't have to be on Thursday night.

If you do your truck check on Thursday night, it must be complete no later than 7:00pm so drill can start on time.

Officer is to coordinate the month he is responsible for.

FFs must notify officers in advance if there is a scheduling conflict.

FFs are encouraged to make arrangements with other FFs if they need to swap a week or month!
